## STREET KING SK660 TRUCK MOUNTED MUNICIPAL SWEEPER

The SK660 is an especially powerful and efficient mounted sweeper. It boasts outstanding suction power, a large 7 m<sup>3</sup> hopper, and a high-water volume for long sweeping distances and maximum efficiency. With a self-supporting frame, the mounted sweeper can be attached to any truck type, provided that its load capacity conditions continue to be satisfied for approval – a unique concept that offers maximum flexibility and adaptability.

### FEATURES:

- Gross hopper capacity 7 m<sup>3</sup>
- 1600 lt water standard
- Deutz TD2.9 Auxiliary engine
- 60 dec tipping angle
- Stainless steel water tanks
- 7" colour touch screen

## AS660 TRUCK MOUNTED AIRPORT SWEEPER

The AS660 is an extremely powerful and efficient truck-mounted sweeper that is specially designed and perfectly matched to meet the needs of airports. With its rear suction unit and high suction power extending across the entire width of the vehicle, the AS 660 removes FOD (Foreign Objects Debris), leaves and dirt, plus liquids such as glycol or water, easily from the runway. Its operation is fully integrated into the super-efficient and highly acclaimed ES control panel, enabling easy and straightforward control whilst driving.

### FEATURES:

- Gross hopper capacity 7 m<sup>3</sup>
- 1600 lt water standard
- Deutz TD2.9 Auxiliary engine
- 60 dec tipping angle
- Stainless steel water tanks
- 7" colour touch screen

## AS990 TRUCK MOUNTED AIRPORT SWEEPER

The AS990 is a truck-mounted airport sweeper which boasts the ability to sweep at speeds up to 40 km/h.

The 9.5 m<sup>3</sup> hopper incorporates a stainless-steel floor, high-quality sweeping unit and a corrosion-resistant suction tube enabling not only the efficient clearing of debris, leaves, dirt and other foreign bodies in the waste industry.

### FEATURES:

- Air mass flow: 32000 m<sup>3</sup>/h
- Gross hopper capacity 9.5 m<sup>3</sup>
- 52 dec tipping angle
- 340 hp Deutz TCD 78 I engine
- Sweeping speeds upto 40 km/h
