4.0M³ CAPACITY

4.0M³ CAPACITY DRUM CONCRETE MIXER TRUCK

The Kyokuto 4.0m³ capacity drum concrete mixer truck combines durability, stability, and efficiency. Built with high-tensile COR-TEN steel and a low center of gravity, it ensures reliable operation and longevity. Featuring a ZF CML10 Eco-Mix drive system and Australian-made components like water tanks and chutes, it delivers top performance. The mixer is backed by a one-year warranty, highlighting Kyokuto's quality and reliability.

COMPATIBILITY:

It pairs effectively with chassis from a range of manufacturers.

STANDARD INCLUSIONS:
